

# Final Project Proposal

Due on 04/19/2023 at 11:59 pm

Your final project proposal is meant to ensure that you and your final project group choose a project that is rigorous, interesting, and can be completed in time. Final projects are due on 05/10 at 11:59 pm, and you are allowed and encouraged to work in groups of 2-3. Completion of this project proposal is worth 50 points.

Recall that there are 370 points allocated towards your final project. As just mentioned, this proposal is worth 50 points. There are 70 points allocated for your presentation. This presentation will be in the form of a 5-10 minute recorded presentation. The remaining 250 points is allocated to project materials and deliverables. Your presentation and your project materials are all due on or before 05/10 at 11:59 pm.

**Instructions.** Fill out this form.

**Group members:**

**Project description.** Provide at least one paragraph describing what your project is about:

**Project deliverables.** Provide at least one paragraph describing what you plan to produce:

**Project submission.** Provide at least one paragraph describing how you plan to submit your final project materials:

**R shiny layout.** Provide a sketch of the proposed layout of your Shiny app, ignore this if you are not creating a Shiny app:
